Please remember that registration is not official until we receive your payment. The maximum number of spots on a class roster is shown in the course catalog, and the number of seats still available at any time decreases as paid registrations are received. Each paid registration that comes in before your check arrives moves you closer to the bottom of the roster. Once the roster is filled with paid registrations, you will be placed on the class's waiting list. We will contact you with your registration status once your check is received.
